

Repairs are as easy as

1 . 2 . 3 !

Laurel Medical Solutions is dedicated to providing a caring, compassionate and professional experience for our patients, while providing solutions relevant to their specific needs and goals. Our experienced staff is thoroughly trained, certified and committed to providing the most appropriate devices for each individual need.

We want to better serve you through all stages of your equipment. Whether it is a dead battery, a broken lever, or even a simple question, we want to get your issue resolved as quickly as possible.

1. When a break or problem occurs with your equipment, call us at **1-800-338-1702**.

2. After talking to us, please text us a photo of the broken piece to **814-408-9560**.

3. Once the image is received, we will then schedule for a technician to come out and address the issue.
