

FREEWHEEL

Weighing less than 5 lbs. it is easy to install and easily stores on a "perch" on the back of your chair, which is included with the FreeWheel.

With the FreeWheel your wheelchair casters are lifted off the ground, turning your chair into a 3-wheeler, so you simply roll over any obstacle: curbs, dirt trails, grass, gravel, snow, and sand. No more wasting energy and slowing down to pop a wheelie.

Specs

Fits on most wheelchairs

Air-filled or solid tire

Made with strong, aircraft quality aluminum

280lb max weight capacity
